## THE BEST OF THE BEST

You decide. On April 17-19, 2009 32 of the Best Teams from Arizona, California, Nevada, and New Mexico, will face off at the Arizona Premier Basketball Academy to determine what Teams and Players will become major factors in the upcoming AAU summer ball.

This INVITATION ONLY Event will feature both Boys 17u and 16u Divisions. Each Team will play 3 Pool games, with the Top 2 Teams from each Pool advancing to Championship play.

## WILL U BE NEXT?

For the past 10 years Arizona Preps founder Anthony Ray has hosted the Prep Showcase Events as a forum for the best boys high school players to showcase their abilities.

Lesser known participants use this platform to get on the recruiting map. Many All-star showings have led to outstanding summer AAU performances and collegiate careers.

## Will U Be A Headliner In 2009?

**ARIZONA PREPS SPRING CLASSIC  
OFFICIAL HEADLINER EVENT**

Top individual performers will qualify to attend National Exposure Events!

The Reebok Headliner Tryout Camp gives you the chance to create your own path, make your own destiny, and take the exposure game into your own hands. It's time for the undiscovered to be discovered.

Reebok Headliner Tryout Camps will tip-off in basketball hot spots across the country. Top Ballers at each site will earn invitations to one of the summer's three premier exposure camps: Reebok All-American Camp, Reebok Breakout Underclass Camp, and Reebok Proving Ground Regional Combine.

Last year, over 1300 players took our challenge and hundreds were rewarded with coveted invitations to Reebok's exclusive camps. In 2009, will you be the next success story? Will you be the Baller who makes the most of this opportunity? Will you go from Hometown Hero to National Name? From ALL-City to All-American?

Again, many of the Top Basketball Scouts will be in attendance, watching and evaluating players for their Nationally recognized Scouting services. These are the people that the top college coaching staffs gladly pay for their feedback about promising young players. Arizona Preps uses the Spring Classic to: (1) evaluate the current and future prep talent after their High School season, allowing us to "target" players to "follow" this coming recruiting period. (2) we update our extensive Arizona Player Database, and (3) we publish the updated Player Profiles and Evaluations in our comprehensive Arizona Hoops Scouting Report that is distributed to 150+ college coaches and their staffs BEFORE they can view these players throughout the NCAA approved summer recruiting periods. We also select the Top Performers to attend the Reebok National Exposure events including the prestigious Reebok All-American Camp!

## LET'S FACE IT ...

The Events that Player's will choose to attend in the off-season are critical to future success in the recruiting process if the player's goal is to play after High School. For most players, it takes more than just Talent to realistically have any opportunity to play at the "Next Level." It takes Talent, and equally important, Exposure, and Promotion. The Spring Classic provides the BEST opportunity for Arizona Prep Players to be "seen", without having to leave their own backyard.

We believe that the best and only true way to show how good you really are is to compete with and against the BEST.

On April 17-19, 2009 the BEST Arizona High School Boys AAU Teams will be doing this at the Premier Basketball Academy.

We hope to see you there.
